

Terms of Use for Submitting a New or Renewal Security Business Licence Application, including Related Prescribed Checks for Controlling Members

In these Terms of Use, "you" or "your" includes the person using or accessing the Electronic Security Services Portal (the "Site") on behalf of a security business to submit a new or renewal online application for a security business licence. As part of a new or renewal security business licence application, each individual who controls or is able to control the security business (Controlling Member) must authorize the British Columbia Registrar of Security Services (Registrar) to carry out a criminal record check, police information check and a correctional information check (Prescribed Checks). A Controlling Member who currently holds a security worker licence will have submitted to Prescribed Checks as part of their individual security worker licence application. A Controlling Member who currently does not hold a security worker licence will be directed to a separate page for specific consent language as it relates to the conduct of Prescribed Checks, including authorizations to collect and use personal information for those purposes. These Terms of Use apply to the online new or renewal security business licence application process, including as applicable a Controlling Member's request to submit to Prescribed Checks administered by the Registrar.

These Terms of Use are an agreement between you and His Majesty the King in Right of the Province of British Columbia, represented by the Minister of Public Safety and Solicitor General (the "Province") and they govern your use of the Site and, where applicable, any associated service ("Associated Service" and, together with the Site, the "Services"). By clicking the box to indicate that you accept these Terms of Use, and in consideration of your use of the Services, you agree, to the terms and conditions set out below.

Your failure to abide by these Terms of Use may result in the suspension or cancellation of your use of or access to the Services. In addition, the Province reserves the right to pursue any remedy available at law or in equity.

Please print a copy of these Terms of Use for your records.
